2017 STOKES AWARD

The 2017 Arch Stokes Memorial Award was presented to NHPA Secretary/Treasurer, David Sidles from Nebraska.

His work with organizing the NHPA financials, online World Tournament registration and a host of other accomplishments has greatly benefitted the association and will help move it forward in this ever-changing age of technology.

Stokes Memorial Award

Established in 1958, The Stokes Memorial Award commemorates the memory of Arch Stokes, one of the most beloved and important figures in the history of horseshoe pitching. The award is presented each year to the person who has done the most during the preceding three to five years to promote, foster and build the sport.

Arch Stokes was four time president of the N.H.P.A. His efforts rescued the game following World War II and built the courts in Murray, Utah, where the World Tournament was held 13 times.
