It has been my utmost pleasure reporting and writing this publication for you, the World Tournament participants, during my time as 2nd Vice President.

Hopefully, you have enjoyed reading it as much as I've enjoyed bringing it to you!

My time in office comes to an end December 31, 2017, but my time at World Tournaments will continue and I look forward to seeing all of you next year!

BANQUET FUN!!

Many valuable items were auctioned at the end of the 2017 Hall of Fame banquet as a fund raiser for the NHPF.

Arie Schaly of Victoria, Ontario, CA, not only served as auctioneer, he also carved the bear (which brought \$225 to the Foundation) AND provided a bit of entertainment!

2017 "Red Shirt Club"
Jerry Smith, ID; Jerry LaBrosse, MN; Brian Fisher, OH; and Ray Beyke, OH.

Dave Nelson from the Southern California Charter created this beautifully designed and crafted collage, containing an engraved horseshoe, world pin and World Champion ring. This item will make its home in Norway with its proud purchaser, Inge Byrkjeland.

South Africa's Charisma had the honor of drawing for the 50/50 table drawing.

If you weren't at this year's Hall of Fame banquet, you missed a good time! Make plans to attend NEXT YEAR to help honor the greats of horseshoe pitching – past and present!
